Please Read Prior to Completing the Employment Inquiry

The Wenger Group welcomes your inquiry for employment. Should a position become open for which your inquiry conveys you qualify, we will contact you. At that time, we will request you complete an Application of Employment and you will be given the job description for your review.

This inquiry for employment shall be considered active for a period of time not to exceed twelve (12) months. Any individual wishing to remain active beyond this time shall contact The Wenger Group to extend your inquiry's active period.

It is to your advantage to be very specific in the information you provide.

The Wenger Group is a completely smoke-free working environment. Due to safety factors specific to the feed mill operation and to overall health concerns, no smoking is permitted inside any company facility.

For all new hires, The Wenger Group requires a "post-offer" drug test performed by a medical facility chosen by the company. For all driving positions, The Wenger Group does require, if hired, drug testing for all inter-state and intra-state driving positions. This policy is in compliance with the Federal Motor Carrier Safety Administration. Drug testing is required "post-offer" of a driving position, post-accident, randomly, and with reasonable cause. Alcohol testing is required for post-accident, randomly, and with reasonable cause.

In the event of employment, I understand I am required to abide by all rules and regulations of the employer.

I certify that answers given herein are true and complete to the best of my knowledge.
