FOR IMMEDIATE RELEASE

The Wenger Group Promotes Riley, Wood, Hammaker, and Miller

Rheems, PA (April 6, 2018) – The Wenger Group is pleased to announce four recent promotions.

Dave Riley was promoted to Controller. Dave will be responsible for period end close, financial reporting, business processes and internal controls, budgeting, and managing several Finance team members.

Dave is a resident of Harrisburg and previously served as tax accountant at McKonly and Asbury. He holds a Bachelor's Degree in Accounting from Messiah College and is a Pennsylvania Certified Public Accountant.

Kelly Wood was promoted to Facilities and Environmental Coordinator for The Wenger Group, where she will continue to supervise the front desk and courier team as well as assume responsibility for environmental compliance at the Rheems-based company.

A resident of Marietta, Kelly has 24 years of service in a variety of key roles with The Wenger Group.

Larry Hammaker has accepted the position of Continuous Improvement Engineering Manager. Larry and his team will support project prioritization and resource allocation for the Wenger Feeds, LLC division.

A resident of Mount Joy, Larry served as Manufacturing Process Engineer for seven years. He holds a Bachelor's Degree in Manufacturing Engineering Technology from Rochester Institute of Technology.

Eric Miller was promoted to Director of Sales and Marketing for The Wenger Group overseeing a team of twelve including account leaders, the customer service team, communications, and support staff.

A resident of Elizabethtown, Eric previously held roles at CNH prior to joining The Wenger Group. Eric holds a Bachelor's Degree in Agricultural Business Management and Economics and a Master's in Business Administration, both from Penn State.

"We're excited to announce all these promotions as they recognize the talent and achievement of our internal team," noted Barry Shaw, President and Chief Executive Officer of The Wenger Group.

Based in Rheems, Pennsylvania, The Wenger Group is a comprehensive Agricultural Company offering Feed, Ingredients, Eggs and Egg Marketing, Flock Services, and Pullet Growing.
