The Wenger Group Welcomes New Hires in Human Resources, Finance

Rheems, PA (December 12, 2018) – The Wenger Group is pleased to welcome Elaine Box and Deana Hollister as Human Resources Managers and Matthew Resnick as Assistant Treasurer.

Elaine Box most recently served as Director Human Resources for ENGEL North America, where she oversaw all Human Resource functions. A resident of Lancaster, Elaine holds a Juris Doctorate from The Catholic University of America, Columbus School of Law, and is a graduate of Franklin & Marshall College, where she earned a Bachelor of Arts in Government.

Deana Hollister, SPHR, SHRM-SCP, served as Managing Director of the HR Consulting Division of Power Kunkle Benefits Consulting. A resident of Marietta, Deana attended Villanova University and Lebanon Valley College and earned HR Certificates of Senior Professional Human Resources and SHRM Senior Certified Professional.

Matt most recently served as Treasury Manager for Dentsply Sirona in York, PA. He also previously held leadership positions at two public accounting firms. A resident of Lititz, PA, Matt holds a Bachelor of Science in Business Administration from Bloomsburg University.

“Elaine’s broad experience, her background in manufacturing as well as her experience in the legal issues around Human Resources will be especially valuable to our team. In addition, we are excited to welcome Deana and tap her decades of HR experience and her extensive expertise in benefits as we continue to grow our company,” noted Linda Lownsbery, Vice President Human Resources.

“In his new role, Matt will help us design and implement best practices in our treasury management and related business processes. His background in manufacturing and his previous experience in auditing and public accounting will be an asset to our team as we continue to grow,” noted Chief Financial Officer Tim Appleby.

The Wenger Group is a leading family-owned agricultural products and services organization, which includes Wenger Feeds, Nutrify, and Dutchland Farms. With over 300 team members and seven feed milling locations in two states, the company is a regional provider of poultry and swine feeds, performance ingredient solutions, niche market eggs, and allied services in the Mid-Atlantic Region.
