**FOR IMMEDIATE RELEASE**

**The Wenger Group Welcomes New Hires Shannon Hackman, Ed Hoffman, and Chris Troiano**

Rheems, PA (April 12, 2019) – The Wenger Group, Inc. is pleased to welcome Shannon Hackman as Sales and Marketing Manager, Ed Hoffman as Regional Manufacturing Manager at Wenger Feeds, LLC, and Chris Troiano as Manager of Procurement Process Strategy at Nutrify, LLC.

Shannon Hackman most recently worked in Aftermarket Sales for Dentech Industrial, where she oversaw the distribution of parts to customers and service technicians. A resident of Denver, Shannon is a graduate of Kutztown University, where she earned a Bachelor of Science degree in Business Administration, Marketing, and Spanish.

Ed Hoffman most recently worked as Plant Manager at Cargill, where he was responsible for all operations activities and financial performance of the Winfield, PA facility. He earned an Associate Degree in Animal Science from SUNY: Cobleskill. He lives with his wife Becky in Northumberland, PA.

Chris Troiano most recently worked as Business Process Architect at Fulton Financial Corporation, where he focused on process improvement projects and was engaged in numerous corporate initiatives. A resident of Lancaster, Chris earned a Bachelor of Science degree in Accounting and Finance from Millersville University.

“In her new role, Shannon will help us analyze and improve our sales processes as well as manage and improve efficiency for our Customer Service team. Her background in manufacturing as well as her experience with analytics will be an important resource for The Wenger Group,” noted Eric Miller, Director of Sales and Marketing.

“We’re excited to welcome Ed to the Wenger Feeds team,” noted Chief Executive Officer Phil Rohrbaugh. “His leadership and extensive feed manufacturing experience will be an asset to our Spring Glen and Muncy Mill as we grow our team at those locations.”

“Chris’ broad experience in business architecture development at Fulton will help us review, model, and plan improvements in our current and future state purchasing environments. We’re excited to welcome him to the Nutrify team,” noted David Glock, Chief Procurement Officer, Nutrify, LLC

The Wenger Group, Inc. is a leading family-owned agricultural products and services organization, which includes Wenger Feeds, LLC, Nutrify, LLC, and Dutchland Farms, LLC. With over 300 team members and seven feed milling locations in two states, the company is a regional provider of poultry and swine feeds, performance ingredient solutions, niche market eggs, and allied services in the Mid-Atlantic Region.
