FOR IMMEDIATE RELEASE

**The Wenger Group Welcomes Leon Heisey as
Feed Manufacturing Services Director**

Rheems, PA (October 8, 2021) – The Wenger Group, Inc., is pleased to welcome Leon Heisey as Feed Manufacturing Services Director.

Leon joins the Company following a 23-year career at The Hershey Company, where he held various engineering roles including Process Engineer, Technical Services Manager for Y&S Candies from 2005 to 2008, Staff Engineer, and Technical Services Manager for the US CI group.

A resident of Middletown, Leon earned a bachelor's degree and a Master of Science Degree in Agricultural Engineering from the College of Engineering from Penn State University. Upon completion of his degree, Leon went to work for Perdue Farms Inc. as a Corporate Project Engineer.

Senior Vice President & Chief Operating Officer - Manufacturing Brad Wagner noted, "Leon will be working closely with me and will provide direct oversight and mentorship to our areas of Engineering, Automation and Innovation, Quality Assurance, Environmental Health and Safety, and Training. I am confident that Leon will be a valuable addition to our organization and continue to drive process and automation improvements in our manufacturing operations."

The Wenger Group, Inc. is a leading family-owned agricultural products and services organization, which includes Wenger Feeds, LLC, Nutrify, LLC, Dutchland Farms, LLC, Risser Grain, LLC, and Hooper Feeds. With over 450 team members and ten feed milling locations in two states, the company is a regional provider of poultry, swine, and dairy feeds, performance ingredient solutions, conventional and specialty eggs, grain, fertilizer, and allied services in the Mid-Atlantic Region.
