FOR IMMEDIATE RELEASE

**Matt Resnick Promoted to Vice President, Wenger Food Group
and General Manager, Egg Products Division**

RHEEMS, PA (January 15, 2024) – The Wenger Group, Inc., is pleased to announce the promotion of Matt Resnick to Vice President, Wenger Food Group (a business unit of The Wenger Group) and General Manager, Egg Products Division. Matt will continue to lead the growth efforts of Dutchland Farms as well as take the lead in future investments within the specialty egg category. Additionally, Matt will be instrumental in the ongoing development of our strategic intentions and tactical execution of our business in this critical vertical. Matt will continue to report to Chris Mulder, President, Wenger Food Group.

Matt was most recently the Director of Operations for Dutchland Farms, where he had responsibility for egg marketing, pullet growing, flock service, and our contract producers and customer relationships. Prior to that role, Matt was the Assistant Treasurer upon joining The Wenger Group in 2018.

Matt earned his bachelor's degree in accounting from Bloomsburg University. He currently resides in Lititz with his wife and two children.

Chris Mulder noted, "As we continue our journey of growth and diversification through the establishment of our Protein Processing and Production Business Unit, it is critical that we begin to build the leadership infrastructure to help guide the Wenger Food Group forward. We are fortunate to have a proven leader that is ready to take on the responsibility of leading these initiatives and positioning The Wenger Group as a strong regional player in the specialty egg industry."

The Wenger Group, Inc. is a leading Northeast family-owned food, agricultural products, and agricultural services organization headquartered in Pennsylvania. The Company offers animal nutrition and feeds; specialty protein production, processing, and marketing; on-farm protein production services; and grain, fertilizer, and ingredient procurement.
